

# MARVIN C. MADERA

WEB DEVELOPER / IT SUPPORT / TUTOR / SOFTWARE ENGINEER

## PHONE

0951-015-7609

## EMAIL

madera.marvin98@gmail.com

## ADDRESS

Sitio Bato-bato Dolores  
Taytay, Rizal.

## PROFILE

I'm a passionate web developer dedicated to creating websites that help businesses streamline their operations online. With a focus on user-friendly design and efficient functionality, I build custom solutions tailored to meet each client's unique needs and goals.

In addition to web development, I specialize in hardware-related services, including troubleshooting networks, switches, and routers, updating software like Microsoft Office, and handling installations and maintenance of CCTV systems, computer peripherals, and cable management.
